

This year's annual Summer Reading Challenge is going digital!

The Reading Agency and Libraries Present

As libraries are currently closed, The Reading Agency have developed a fun online Summer Reading Challenge to inspire children aged 4-11 years to keep reading throughout the summer.

The theme is 'Silly Squad': a celebration of funny books, happiness and laughter, featuring artwork from award-winning children's author and illustrator, Laura Ellen Anderson. There will be lots of fun activities to take part in, as well as registering the books you have read.

Children can sign up now or at any time through the summer.
