

The first half of this term is speeding by although I'm sure that we are all looking forward to saying goodbye to January. With February half term on the horizon please do note the half term activities that are on offer all of which are shared via the newsletter or parentmail. AW Football coaching will be utilising our space by hosting their own club offering a range of activities. Do contact the office if you wish to find out more.

The miserable wet weather did not deter our Year 4 and 5 pupils who both went off on visits today. Year 5 took the train down to Greenwich to the Planetarium as part of their learning on Earth and space and Year 4 travelled into London to take part in a tour of St Paul's Cathedral as part of their learning on Sir Christopher Wren the architect who designed the monumental building.
