GOOD NEWS ONLY... A Green Dog!

By Freya—Year 6, Wren Class

Bulldog Freya recently had an unusual puppy. She was green! The puppy was perfectly fine, but everyone was shocked, as only 1 in 10,000 puppies are born green. This tiny green puppy has been named after someone from Shrek—Fiona!

She wears a stunning pink collar, and looks adorable in it—it really sets off her green coat! Fiona's mum, Freya, was only expecting 7 puppies but little Fiona was puppy number 8.

What a surprise she must have been!

Year 5 School Trip

By Aaron—Year 5, Hokusai

On Friday 25th February, Hokusai and Brunel classes (year 5) got ready to go on a school trip to the Planetarium in Greenwich.

We arrived at school, with our packed lunch's ready and Miss Malm took the register. Both classes then hopped on a bright white coach that was taking us to the Planetarium. 30 minutes later we arrived at Greenwich Park. As we walked through the park, we saw dogs on walks and heard the birds chirping. Once we arrived at the planetarium, we met our guide who led us down into the auditorium. Before we entered for our workshop, he showed us a real meteorite that was 45 billion years old!! As we took our seats, another school joined us for the show. We learnt that Jupiter is the biggest hurricane ever recorded and if you were to step on a gas giant (a planet made up of gas and air like Jupiter) you would just fall straight through it. We also found out that if we could harness the energy of Jupiter's Northern Lights, we could power the world's electricity.

After our workshop, we had lunch at the Maritime Museum. We were able to have a tour—it was great fun to see all the amazing things from the past.

We then all got back on the coach and drove back to school - The school trip was fantastic!

Get Your Kicks...

Harry and Laurie from Brunel Class (Year 5) sat down with the 2021/22 Sport Captain Teddie O'Reilly to talk all things sports.

How were you chosen to be Sports Captain and did you want the role?

Yeah I definitely wanted it, I love sport and love being part of a team so I was really pleased and felt proud of myself. Mr Lynch and Mr McGregor chose me to be Sports Captain.

What sport do you enjoy playing the most?

Football, 100%. It's what I'm best at and I play for a team outside of school - we're playing the Final of the Pink Shield Cup in a couple of weeks. I am their top goal scorer so I'm hoping we win.

What is your favourite thing about playing sport?

It makes me happy and I really enjoy playing with others - I only really like and play team sports.

Have you ever watched the girl's football team?

Yeah I have - they played really well and were unlucky. They lost 6:5 on penalties but they should have won.

Finally Teddie, how did the boys football team get on yesterday (Belmont Boys played in the Stuart Turpin Cup Final)

It was really close game, all the boys did well and we played well as a team.

Unfortunately we lost in the final minute, 3:4, better luck next time.
